About Us

Aquatec India is a part of diversified group, started in the year 1992 with its roots in the field of Ceramic Sanitaryware, Sanitary Fittings and Components.

Backed by unwavering dedication and technical expertise, Aquatec India always endeavours to meet the aspiration of their well informed customers.

Vision Statement

To Create and sustain value by being recognized as a leader, valued by Customers and Vendors, sought after as an Employer and respected by our Competitors.

Our Philosophy

Under the guiding policy "Think Customers", we strive to provide superior service to cater customer needs.

Further, by aspiring after "Think Customers, co-sharing profits and quality in work", we strive for a brilliant future together.

Product Overview

Aquatec India manufactures a wide variety of sanitarywares as per Industry Standards with a reputation for :

- Quality products
- Consistent trouble free products
- Competitive prices
- Volume production for faster delivery
- Meeting respective inspection standards

Manufacturing Capabilities and Quality Assurance

To create quality products one needs quality production set up. Aquatec India has brought in the best production facilities in terms of state of the art manufacturing facility integrated with well experienced technical staff.

Constantly improving quality standards has been the success mantra for Aquatec India. Getting to the next level has always been a passion for us. To achieve these goals we adhere to strict quality standards right from the procurement of raw materials to the production and testing of the actual products to ensure superior quality .
